C
I took you at your word
F
When you said you would steal my
C
heart
C **G**
Yeah this might sound absurd,
F
but would you be my thief,
Take all of me
C
Every part
F **C**
Love love love is my crime.
G
So baby come catch me and let's
F
do the time.
C
I think we might be outlaws.
G
I think I might be in love.
F
'Cause I'm all out of reasons,
F
like seasons,
Am
Winter, summer, fall
they're all washed up.
C
If you're still way over there,
G
maybe slide on in by my side,
F
'Cause I'm just an outlaw,
F **C**
wanted if you want me.
C **G**
I love you everyday and every night.
C
Oh whoa
C **G**
Lock me up for good,
F **C**
Right here in your arms.
C **G**
You vandalize my neighbourhood,
F
with your piercing eyes
C
and devilish charm.

Love love love is my crime.
G
So baby come catch me and let's
F
do the time.
