

David O'Dowda - The World Retreats

tom:

Intro: Bm A Em Gbm

Bm A
Hold back and fight among the stars
Em
We could be the lucky ones
Gbm
If we could only levitate
Bm A
Fly low dear, dance beneath the trees
Em
If only we had oxygen
Gbm
Then we'd begin to breathe

Bm A
And we can watch
Em Gbm
While the beauty takes its toll
Bm A
And we can stop
Em Gbm

While the world retreats

Bm A
Lie low dear
Em Gbm
Fix yourself a life
Bm A
We could be the wealthy ones
Em Gbm
If we could only emigrate
Bm A
These walls get closer by the night
Em Gbm
Everything gets delicate
Bm A
And everything in flight

Bm A
And we can watch
Em Gbm
While the beauty takes its toll
Bm A
And we can stop
Em Gbm
While the world retreats
