David Quinlan - Something new

Tom: A

```
   A          E A             E   A
Fly us lord, on your might wings
                        E A                 E
Straight to your presence, Straight to your presence
A                   E
Give us something new
```

```
A                   E
Give us something new
A                     E
A fresh encouter with you
A          E
A fresh encouter
A              E A                      E   A
It`s our desire, it`s the cry of our hearts
```
