For me to speak up, but I keep quiet

Ill complicate the most of the mantra

The power's out and I can 't turn the fan on

I'm trying to make up my mind

<sup>A A</sup>  
Just how I feel

<sup>A A</sup>  
Could you tell me what 's real?

<sup>D D</sup>  
I hear your voice on the phone

<sup>D D</sup>  
Now I'm no longer alone

<sup>A A</sup>  
Just how I feel

<sup>A A</sup>  
Could you tell me whats real anymore?

Cause I wouldn't know

<sup>D D</sup>  
Voice so low

<sup>D D</sup>  
Sneaking around, so it goes

<sup>A A</sup>  
I always try my best to listen

<sup>A A</sup>  
Picking up things that I can fidget

<sup>D D</sup>  
Circle speed

<sup>D D</sup>  
Pacing around, watching my feet

Batteries drain, I get the memo

I think that I might have to let you go
