(com acordes na forma de G)

Capostrate na 3ª casa

G
I wish we were leaving tomorrow you say
C
And I really can't blame you
D
Cause I hate to stay in the same place too long
G
I swear it drives me insane
G
The smell of the air, the roads and the people
C
Become too familiar

No longer exciting to me
D
That's annoying I just have to get away

(G Em C D)
(G Em C D)
(G Em C D)

G
The monotony is killing me it's killing you
Em
So what to do

Jump in the car and drive away
C
We'll worry about gasoline later
D
When we're broken down on interstate ten west
G
Cause I just cannot stand it here for any longer
Em
And I fear that if I stay for one more day

I'll fire bomb this fucking place
C
So I better go cause I don't want to go to jail

D
Cause that place fucking sucks

C
And what if when we get back
D
To this town everything is different
G
All those familiar places

We once loved no longer exist
C
Well at least I'll still have you and you'll have me
G
That's all we need

G
I'm not saying that we're old
Em
I just don't feel that we're still young
C
After all this time that we've been lost
D

G
So go for broke and fuck tomorrow
Em
Cheat and steal and beg and borrow
C
Never even contemplate the cost
D
G
And we'll sing whoa whoa whoa whoa

C
And what if when we get back
D
To this town everything is different
G
All those familiar places
We once loved no longer exist
C
Well at least I'll still have you and you'll have me
D
G
That's all we need
