

Days N' Daze - Goodbye Lulu

Tom: F

(com acordes na forma de C)

Capostrate na 5ª casa

Goodbye LuLu won?t be seein? you again
 Stole your pack and boots and bibs and left you on the tracks
 Goodbye lulu won?t be seein? you again
 You left home on a freight train you ain?t never goin? back

Started hangin? out at punk shows and you got it in your head
 To leave home on a freight train cause that?s what the cool kids did

Now you got some shitty stick and pokes and hepatitis c
 Smell like an unwiped asshole and your socks stick to your feet

Goodbye LuLu won?t be seein? you again
 Stole your pack and boots and bibs and left you on the tracks
 Goodbye lulu won?t be seein? you again
 You left home on a freight train you ain?t never goin? back

(C F C F C F G)

It?s a fifth of rum for breakfast and your shootin? up at lunch

(C F C G (N))

All coked up in a walmart screamin? I don?t give a fuck (fuck)

Your dog is fuckin? starvin? but you spend a bill on booze
 Your parents bought you nikes you prefer some tattered boots

Goodbye LuLu won?t be seein? you again
 Stole your pack and boots and bibs and left you on the tracks
 Goodbye lulu won?t be seein? you again
 You left home on a freight train you ain?t never goin? back

(C F C F C F G)

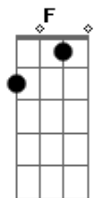

Flew a sign and made some money now it?s time to buy some food

Fuck that let?s buy some heroin I guess that?s just as good
 Fuck a restaurant there?s a dumpster let?s see what treats lie inside

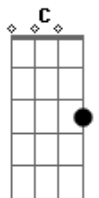

It?s like Christmas everyday except the gifts are filled with flies

Goodbye LuLu won?t be seein? you again
 Stole your pack and boots and bibs and left you on the tracks
 Goodbye lulu won?t be seein? you again
 You left home on a freight train you ain?t never goin? back
