C
 Come on just take my hand
 G
 baby lets go
 Am
 we'll run away with nothin?
 F
 but our love to show
 C
 we'll dance in the street
 G
 with mud on our knees
 Am
 and show the world we're
 G
 everything they wish to be
 F
 but nothing that they want to see
 C
 Remember those days
 we lost track of miles
 G
 punk rock love and dysfunctional smiles
 Am
 livin' in the clouds
 F
 screamin' our lungs out
 C
 we laughed when noone listened
 G
 cause we knew it'd all work out
 Am
 we were the only two that were conscience
 F
 in that stupid fucking town
 C
 traveling to different cities
 G
 deciding anywhere is home
 Am
 as long as you were by my side
 F
 I never felt alone
 C
 cigarettes to wind
 40's in our hands
 G
 this love we share is real and noone could ever understand
 Am
 these feelings we were born to feel
 G
 you know I'll follow you anywhere
 F

 C
 Droppin' out of high school
 G
 sneakin' out of windows
 Am
 playin' music to cops
 F
 that wanted to shut us down
 C
 the moment I looked into your eyes
 G
 you held me through all those bad times
 Am
 the friends that got locked up
 G
 and all those friends
 F
 that never made it through the night
 C G Am F
