

# DayzVibes - Can't Hold On

G

[Refrão]

I know I can't hold on  
Without you in my thoughts  
And now I'm falling down

If you could let me know  
The thing that made you go  
Was I going too slow  
I just wanted to know

[Primeira Parte]

Dreaming and thinking and you're not there  
You made me turn that dream into nightmare  
Just because you're not here, you're not here  
I can't understand why did you disappeared  
And now I just want to cry

I don't even know why  
Thinking and thinking and thinking

My head is already saying goodbye  
I just need you around me

Where I can feel free  
Girl you change my mind

But I guess you don't agree

[Refrão]

I know I can't hold on  
Without you in my thoughts

tom:

And now I'm falling down

If you could let me know  
The thing that made you go  
Was I going too slow  
I just wanted to know

[Segunda Parte]

Yeah I can't hold on  
You just care when I'm gone

I'm Waiting for the dawn  
Layed on the lawn  
Appreciating little things

Till I get wings  
And fly through the sky rings  
What the fuck this life brings

I can't understand why our lives end  
We all have the same destiny, lame  
We need to grab everything with our hands  
So we can be happy as we planned

[Refrão]

I know I can't hold on  
Without you in my thoughts  
And now I'm falling down

If you could let me know  
The thing that made you go  
Was I going too slow  
I just wanted to know
