

Dead By Sunrise - In The Darkness

```
Tom: C
   [Intro] Cm Ab Cm
I want to cut through my skin
And pull you within
My heart burns like the sun
As our flesh becomes one
In the darkness, my heart aches at the sight of you
Trembles and quakes within sight of you
        Cm
In the darkness
Our bodies burning, tides are turning, somehow stopping time
What is becoming of my heart and mind?
In the darkness, all that you want from me is all I have to
give
In the darkness, coming so easily, learning how to live
In the darkness, all that you want from me is all I have to
In the darkness, coming so easily, learning how to live
( Ab Cm )
I will surrender my soul
And give you control
```
