Tom: A
Intro: (D B A E) 2X

(D B A E)
A new sk8 session now you'll face it
this will be nice and more than you need.
No rules, no limits, style in your tricks
it's just skateboard, go for it.

(F C D)
My life is my skateboard, skateboard
My style is my skateboard, skateboard
My life is my skateboard, skateboard
My style is my skateboard

(B, C, D) 2X

(D B A E)
Skate is over my god, mom and dad,
they don't understand me and say move your ass.
It's discrimination inside in their head
I think of my skateboard and go ahead.

(F C D)
My life is my skateboard, skateboard
My style is my skateboard, skateboard

My life is my skateboard, skateboard
My style is my skateboard.

(B C D) 3x
Walking in the streets with nothing to do
I only see this fucking passion
If you wanna skate, you gotta have a feeling
Show me a feeling

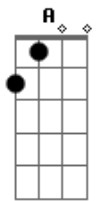

(B C D) fica nessas notas ate o solo

Ae vai o solo (o tempo e quantas vezes vc toca a nota é só ouvir e pegar)

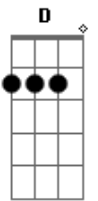

(F C D)
My life is my skateboard, skateboard
My style is my skateboard, skateboard
My life is my skateboard, skateboard
My style is my skateboooooooooooooard

Essa musica e bem loka... e não e tão dificil de tocar...
Ah! quando eu conseguir tirar o solinho eu mando.. por enquanto e isso...
