

Dead Kennedys - Holiday in Cambodia

```
Tom: C
                                                               [Verse 2]
                                                               (riff 1)
  intro
                                                               You're a Star-Belly Sneech you suck like a leech
                                                               You want everyone to act like you
                                                               Kiss ass while you bitch so you can get rich
                                                               But your boss gets richer off you
    -
                                                               Well you'll work harder with a gun in your back
Intro:
                                                               For a bowl of rice a day
                                                               Slave for soldiers till you starve
                                 so you been to school for a
                                                               Then your head is skewered on a stake
year or two
[Verse 1]
(riff 1)
                                                               [Pre-Chorus]
So you been to school for a year or two
                                                                                      G
                                                               Now you can go where the people are one
And you know you've seen it all
In daddy's car thinkin' you'll go far
                                                                        C G C
Back east your type don't crawl
                                                               Now you can go where they get things done
  G
                                                                  B C B
Play ethnicky jazz to parade your snazz
                                                               What you need, my son
                                                                      В
On your five grand stereo
                                                               What you need, my son
Braggin that you know how the niggers feel cold {\color{red}\mathbf{G}}
                                                               [Chorus]
                                                                            С
And the slums got so much soul
                                                               It's a holiday in Cambodia
[Pre-Chorus]
                                                               Where people dress in black

                                                               CA
                                                                     C D
It's time to taste what you most fear
                                                               A holiday in Cambodia
          C G C A
Right Guard will not help you here
                                                               Where you'll kiss ass or crack
A B C B
Brace yourself, my dear
                                                               [Instrumental]
