Ask me once, and I say yes  
I want the pleasure of your flesh

Huu!

You know tonight  
That I don't need affection  
All that I want, is a little piece of action

Come home with me baby  
Ooh you just as lucky  
No I don't go home with anyone

Come home with me baby  
Ooh you just as lucky

You got the body I want  
You got the body  
The hot body that I want  
You got the body that I want

Come home with me  
Let's rock
