Tom:

[Primeira Parte]

B
I found love with the chemicals
Abm
I used to pray for a miracle, but now
B **Abm E**
I know that it's all over
B
I used to sit by the waterside
Abm
I Kiss your cheek and say "You're mine"
B **Abm**
But now I know it's over

[Pré-Refrão]

Dbm **Abm** **Gb**
And all these little things, they start to slip away
Bbm
Ooh
B **Abm** **Gb**
And all these little things start to fade away
And you said

[Refrão]

B **Gb** **Abm E**
"Hold me, I'm falling apart"
B **Gb** **Abm E**
"cos I'm scared and lost in the dark"
B **Gb** **Abm**
"and this feeling surely can not last"
Db **Gb**
So I took it away, took it away
B
Away from you
Abm E B **Abm**
Whoa whoa laa

[Segunda Parte]

B
I held your hand but you let it go
Abm
I knew your heart had found a home
B **Dbm** **Abm**
Now I know it's over
B
I flew it out into the sky
Abm **E** **B**
Tryna run from this mountain I couldn't climb
Dbm **Abm**

'Cause I knew I'd fall over

[Pré-Refrão]

Dbm **Abm** **Gb**
And all these little things, they start to slip away
Bbm
Ooh
B **Abm** **Gb**
And all these little things start to fade away
And you said

[Refrão]

B **Gb** **Abm E**
"Hold me, I'm falling apart"
B **Gb** **Abm E**
"Cos I'm scared and lost in the dark"
B **Gb** **Abm**
"And this feeling surely can not last"
Db **Gb**
So I took it away, took it away

Away from you
Abm E B **Abm**
Whoa whoa laa

Abm **E**
And I am begging on my knees
B **Gb** **B**
"Don't go, won't you stay?"
Dbm **E** **B**
"I can't stand to watch you walk away from me"
And you said

[Refrão]

B **Gb** **Abm E**
"Hold me, I'm falling apart"
B **Gb** **Abm E**
"Cos I'm scared and lost in the dark"
B **Gb** **Abm**

Away from you
Abm E B **Abm**
