

Dean Lewis - Chemicals

'Cause I knew I'd fall over Tom: [Pré-Refrão] [Primeira Partel Abm And all these little things, they start to slip away I found love with the chemicals 0ohI used to pray for a miracle, but now В Abm And all these little things start to fade away I know that it's all over And you said I used to sit by the waterside [Refrão] I Kiss your cheek and say "You're mine" Gb Abm E "Hold me, I'm falling apart" But now I know it's over Gb Abm "Cos I'm scared and lost in the dark" [Pré-Refrão] Gb "And this feeling surely can not last" Abm Db And all these little things, they start to slip away So I took it away, took it away Bbm В 0oh Away from you Abm E B Abm And all these little things start to fade away Whoaa whoaa laa And you said [Terceira Parte] [Refrão] And we were making plans and breaking dreams Gb Abm "Hold me, I'm falling apart" Abm When you were next to me Gb "cos I'm scared and lost in the dark" В It's 3 am in the back of a cab Gb "and this feeling surely can not last" Abm And I am begging on my knees Db Gb B Gb So I took it away, took it away "Don't go, won't you stay?" В Away from you Dbm Abm E B Abm "I can't stand to watch you walk away from me" And you said Whoaa whoaa laa [Segunda Parte] [Refrão] Gb I held your hand but you let it go "Hold me, I'm falling apart" Gb I knew your heart had found a home "Cos I'm scared and lost in the dark" Dbm Abm Gb "And this feeling surely can not last" Now I know it's over Db B
I flew it out into the sky
E So I took it away, took it away В Tryna run from this mountain I couldn't climb Away from you Abm E B Abm Dbm Whoaa whoaa laa Acordes R
