

# Dean Lewis - Half a man

tom:

Intro: F C Am G  
F C G

I was wrong to say I loved her

I was wrong to think I'm right

But when I told her it was over

My darling I had lied

I've been running from my demons

Afraid to look behind

I've been running from myself

Afraid of what I'd find

But how am I supposed to love you

When I don't love who I am

And how can I give you all of me

When I'm only half a man

'Cause I'm a sinking ship that's burning

So let go of my hand

And how can I give you all of me

When I'm only half a man

And now I'm stuck in this hotel room

By cold neon light

I've been waiting for an answer

But it don't come tonight

And every bottle I had stolen

It laid shattered on the floor

What's broken can't be whole, anymore

But how am I supposed to love you

When I don't love who I am

And how can I give you all of me

When I'm only half a man

'Cause I'm a sinking ship that's burning

So let go of my hand

And how can I give you all of me

When I'm only half a man

No one can ever hurt me

Like I hurt myself

I'm made out of stone

And I'm beyond help

Don't give your heart to me

But how am I supposed to love you

When I don't love who I am

And how can I give you all of me

When I'm only half a man

'Cause I'm a sinking ship that's burning

So let go of my hand

And how can I give you all of me

When I'm only half a man

( F C Am G )

( F C G )
