

Dean Lewis - How Do I Say Goodbye

tom:
 Capotraste na 3ª casa
 Intro: G

[Primeira Parte]

Early morning
 There's a message on my phone
 It's my mother saying: "Darling, please come home"
 I fear the worst
 But how could you leave us all behind?
 There's so much to say, but there's so little time

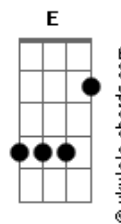

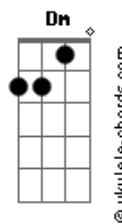

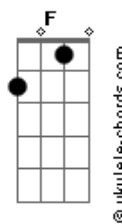

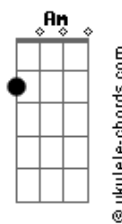

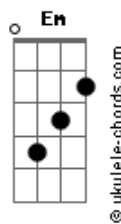

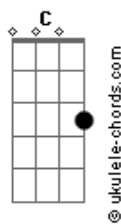

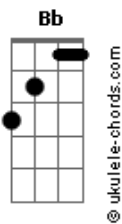

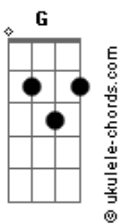

[Refrão]

So how do I say goodbye
 To someone's who's been with me for my whole damn life?
 You gave me my name and the colour of your eyes
 I see your face when I look at mine
 So how do I, how do I, how do I say goodbye?

[Segunda Parte]

When I couldn't
 You always saw the best in me
 Right or wrong, you were always on my side
 But I'm scared
 Of what life without you's like
 And I saw the way she looked into your eyes

Acordes

[Pré-Refrão]

And I promised, if you go
 I will make sure she's alright

[Refrão]

So how do I say goodbye
 To someone's who's been with me for my whole damn life?
 You gave me my name and the colour of your eyes
 I see your face when I look at mine
 So how do I, how do I, how do I say goodbye?

[Ponte]

And there's no way you could ever let me down
 Gonna steal some time and start again
 You'll always be my closest friend
 And someday we are gonna make it out
 Just hold the light, just hold the light high, high!

[Refrão]

So how do I say goodbye
 To someone's who's been with me for my whole damn life?
 You gave me my name and the colour of your eyes
 I see your face when I look at mine
 So how do I, how do I, how do I say goodbye?
 So how do I, how do I, how do I say goodbye?
