

Dean Lewis - Hurtless

tom:

Am

[Primeira Parte]

Am
I remember the day that we met
F
You were like a light I didn't know that I needed
C
You had a smile that could warm up the New York cold
Am
It wasn't long till we both caught feelings
F
I didn't know that we both had demons but
C
It's funny how time reveals it all

[Pré-Refrão]

F
And you stayed out that night
Am
After we had a fight
C
And my friends say they saw you with him
F
At that bar where we met
Am
While I'm here in our bed
G
Do you even regret what you did?

[Refrão]

Am
'Cause it was never meant to end like this
F
Standing in the rain in your black dress
C
So go ahead and tell me what I did to deserve this
Am
And I'm not saying we were perfect
F
I hope that one night with him was worth it
C
But telling me that it was a mistake don't make it hurt less
G
It don't make it hurt less

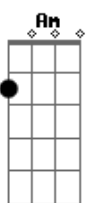

[Segunda Parte]

Am
I'm standing there as you list off your reasons
F
Made me feel like a fool for believing
C
You reach for my hand as I turn to leave
G
But you keep on holding on

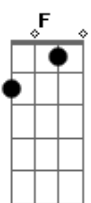

[Pré-Refrão]

And your eyes started falling way down with despair
C
And you turned around and said "This isn't fair"
F
It was only one night, there were no feelings shared"
G
So I looked in your eyes and I said

[Refrão]

Am
It was never meant to end like this
F
Standing in the rain in your black dress
C
So go ahead and tell me what I did to deserve this
Am
And I'm not saying we were perfect
F
I hope that one night with him was worth it
C
But telling me that it was a mistake don't make it hurt less
G
It don't make it hurt

[Ponte]

Am
I know the day will come when this won't hurt anymore
F
C
When all the pain is just an afterthought
Am
If I'm strong enough to let you in
F
I can let you out again
Dm
And I hope some day you'll find someone to love you
C
G

Like I did

[Refrão]

Am
