

Dean Martin - Everybody Loves Somebody

```
C E F A

Everybody loves somebody sometime
Dm Bb G G7

Everybody falls in love somehow
C Em Dm
Something in your kiss just told me
G G7 C G7

My sometime is now

C E F A

Everybody finds somebody someplace
Dm Bb G G7

There's no telling where love may appear
C Em Dm
Something in my heart keeps saying
G G7 C

My someplace is here

C C7

If I had it in my power
F A Dm
I'd arrange for every girl to have your charm
Am Em
Then every minute, every hour
Dm A Dm G

Every boy would find what I've found in your arms
```

```
Everybody loves somebody someti-me
Dm Bb G G7
And although my dream was overdue
C Em Dm
Your love made it well worth waiting

G G7 C
For someone like you
If I had it in my power
F A I'd arrange for every girl to have your charm
Then every minute, every hour
Every boy would find what I've found in your arms
Everybody loves somebody someti-me
Dm Bb G G7
And although my dream was overdue
C Em Dm
Your love made it well worth waiting
G G7 C
For someone like you
Everybody loves somebody sometime
