

Dear Evan Hansen - Waving Through a Window

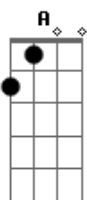

tom:
A (forma dos acordes no tom de G)
Capostrate na 2ª casa

[INTRO] G C D7

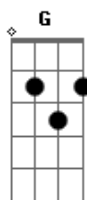

G C D7
I've learned to slam on the brake
G C D7
Before I even turn the key
G C D7
Before I make the mistake
G C D7
Before I lead with the worst of me
G C D7
Give them no reason to stare
G C D7
No slipping up if you slip away
G C D7
So I got nothing to share
G C D7
No, I got nothing to say
Am Em D7
Step out, step out of the sun
G C
If you keep getting burned
Am Em D7
Step out, step out of the sun
G C D7
Because you've learned, because you've learned
Em C
On the outside, always looking in
G D7
Will I ever be more than I've always been?
Em C
'Cause I'm tap, tap, tapping on the glass
G D7
I'm waving through a window
Em C
I try to speak, but nobody can hear
G D7
So I wait around for an answer to appear
Em C
While I'm watch, watch, watching people pass
G D7 B7
I'm waving through a window,
Em C G D7 C D7
oh, Can anybody see, is anybody waving back at me?
G C D7
We start with stars in our eyes
G C D7
We start believing that we belong
G C D7
But every sun doesn't rise
G C D7
And no one tells you where you went wrong
Am Em D7
Step out, step out of the sun
G C
If you keep getting burned
Am Em D7
Step out, step out of the sun
G C D7

Because you've learned, because you've learned
Em C
On the outside, always looking in
G D7
Will I ever be more than I've always been?
Em C
'Cause I'm tap, tap, tapping on the glass
G D7
Waving through a window
Em C
I try to speak, but nobody can hear
G D7
So I wait around for an answer to appear
Em C
While I'm watch, watch, watching people pass
G D7 B7
Waving through a window
Em C G D7
oh, Can anybody see, is anybody waving?
G C D7 Em
When you're falling in a forest and there's nobody around
G C D7 Em
Do you ever really crash, or even make a sound?
G C D7 Em
When you're falling in a forest and there's nobody around
G C D7 Em
Do you ever really crash, or even make a sound?
