

Death Cab For Cutie - A Movie Script Ending

Tom: E

Guitar 2:

tabbed by Gabriel Adams

http://
 i saw ben and chris play this song on rollingstone's site so
 i'm positive about the accuracy of guitar 1's tab. as for the
 rest i couldn't see or hear chris well enough to know what
 he's playing so i'm going to leave Fred Kleiner's work for
 that. (this is pretty close to his tab anyway)
