

Death Cab For Cutie - Lack Of Color

Tom: **Ab**

Album: Transatlanticism

Tablature by: el_STORM

Comment: Great Band, great Album, great Song. I know this tab isn't 100% correct but

I think it sounds very well, singing along the lyrics fits just perfect. ;-)

E is **Eb**

Intro: /Verse:

Eb G Eb eb Eb G Eb F
C d# C d C ab C d# C d

and when I see you
 I really see you upside down
 but my brain knows better
 it picks you up and turns you around
 turns you around
 turns you around

if you feel discouraged
 and there's a lack of color here
 please don't worry lover

it's really bursting at the seams
 from absorbing everything
 the spectrum's a to z

this is fact not fiction
 for the first time in years
 and all the girls in every girlie magazine
 can't make me feel any less alone
 I'm reaching for the (phone)

now, they start to play chords, starting on "...phone":

Bb H07 Cm Bb

(I'm reaching for the) phone
 to call at 7:03
 and on your machine I slur a plea
 for you to come home
 but I know it's to late
 and I should have given you a reason to stay
 given you a reason to stay (x3)

then play the intro again and add the verse one more time:

this is fact not fiction
 for the first time in years
