

# Death Cab For Cutie - Meet Me On The Equinox

Tom: Bb

Intro:

Meet me on the Equinox  
 Meet me half way  
 When the sun is perched  
 at it's highest peek  
 In the middle of the day  
 Let me give my love to you  
 Let me take your hand  
 And as we walk in  
 the dimming light  
 Oh darling understand

That everything, everything ends  
 That everything, everything ends  
 ( Gm )

Meet me on your  
 best behavior  
 Meet me at your worst  
 For there will be  
 no stone unturned  
 Or bubble left to burst  
 Let me lay beside  
 you darling  
 Let me be your man  
 And let our bodies  
 intertwine  
 But always understand

That everything, everything ends  
 That everything, everything ends

That everything everything  
 everything ends  
 ( Gm )

A window  
 An opened tomb  
 The sun crawls  
 Across your bedroom  
 A halo  
 A waiting room  
 Your last breaths  
 Moving through you

As everything, everything ends  
 As everything, everything ends  
 As everything, everything everything  
 Everything everything everything ends  
 ( Gm )

Meet me on the Equinox  
 Meet me half way  
 When the sun is perched  
 at it's highest peek  
 In the middle of the day  
 Let me give my love to you  
 Let me take your hand  
 And as we walk in  
 the dimming light  
 Oh darling understand

That everything, everything ends
