

Death Cab For Cutie - Meet Me On The Equinox

Tom: Bb

Intro:

Meet me on the Equinox
 Meet me half way
 When the sun is perched
 at it's highest peek
 In the middle of the day
 Let me give my love to you
 Let me take your hand
 And as we walk in
 the dimming light
 Oh darling understand

That everything, everything ends
 That everything, everything ends
 (Gm)

Meet me on your
 best behavior
 Meet me at your worst
 For there will be
 no stone unturned
 Or bubble left to burst
 Let me lay beside
 you darling
 Let me be your man
 And let our bodies
 intertwine
 But always understand

That everything, everything ends
 That everything, everything ends

That everything everything
 everything ends
 (Gm)

A window
 An opened tomb
 The sun crawls
 Across your bedroom
 A halo
 A waiting room
 Your last breaths
 Moving through you

As everything, everything ends
 As everything, everything ends
 As everything, everything everything
 Everything everything everything ends
 (Gm)

Meet me on the Equinox
 Meet me half way
 When the sun is perched
 at it's highest peek
 In the middle of the day
 Let me give my love to you
 Let me take your hand
 And as we walk in
 the dimming light
 Oh darling understand

That everything, everything ends
