

Death Cab For Cutie - Scientist Studies

Tom: E

thought that this meant something more than broken hearts and new

Tuning: Standard

Intro: (Riff 1 - repeat twice):

addictions.

Verse 1:

We'll leave our sins within the carpet twine.

What ghosts exist behind these attic walls?

Our bodies will dissolve the chemicals in due time.

There's got to be a simpler explanation

Chorus:

'cos I

Promises of payments were upon your shoulders constantly but

scrimped and I saved just to find that they've been splicing my

don't forget to entertain 'cause this is your first defense.

inventions.

This is your first defense.

Cold skin and bones and this latitude

Repeat twice:

We ain't paying 'til the heat comes through

Outro:

so you

This is your first defense. This was your first defense.

slept in a stocking cap and wool scarf and

This is my last defense.

Chorus:

Complete lyrics:

Promises of payments were upon your shoulders constantly but

What ghosts exist behind these attic walls?
There's got to be a simpler explanation
'cause I scrimped and I saved
just to find that they've been splicing my inventions.
Cold skin and bones and this latitude
we ain't paying 'til the heat comes through.
So you slept in a stocking cap and wool scarf and

don't forget to entertain 'cause this is your first defense.

Promises of payments were
upon your shoulders constantly
but don't forget to entertain
'cause this is your first defense.

Riff 1 - repeat twice:

Verse 2:

Four year offense to the devoted type

Four year offense to the devoted type
I may have got an invitation but I wasn't invited.
But I thought that this meant
something more than broken hearts and new addictions.
We'll leave our sins within the carpet twine.
Our bodies will dissolve the chemicals in due time.

I may have got an invitation but I wasn't invited.

Promises of payments were
upon your shoulders constantly
but don't forget to entertain
'cause this is your first defense.
This is your first defense.

But I

This is your first defense.
This was your first defense.
This is my last defense.
