B D Db A

On Two bicycles
On a hillside desolate

Could nature make a man of me yet ?

Under this charming calm
This charming man

Why ponder life's complexities
When the leather runs smooth

On the passenger seat ?

I would go out tonight

But I haven't got a stitch to wear

This man said it's crucial

Db

That someone so handsome should care

Ah ! I'm just a country boy
Who never knew his place

He said return the ring
He knows so much about these things

He knows so much about these things

I would go out tonight

But I haven't got a stitch to wear

This man said it's crucial

That someone so handsome should care

La, la-la, la-la, la-la, this charming man ...

La, la-la, la-la, la-la, this charming man ...

Ah ! I'm just a country boy
Who never knew his place

He said return the ring
He knows so much about these things

He knows so much about these things
