

Death Cab For Cutie - This Temporary Life

Tom: A

acoustic chords (gtr 1)

A
E
D

gtr 2. (played behind chords on clean electric)

(A) (E)

A
The morning suns about to break
E
im looking in as you create
D
someone

A
you lift your head and brush your teeth
E
and make your bed as if you wont
D
sleep again

A
you fix your hair and tie your shoes
E
and tuck your shirt and then you feel
D
new

A
the glass is full, the glass is broke,
E
and every day dissolves and there's

D
no hope

(distortion)

A of ever leaving this temporary life E

A of ever leaving this temporary life E

D A E D
Li-fe li-fe li-fe li-fe

R1

R2

R1 A R1 A R2 E R2 E

R1 A R1 A R2 E R2 E
R1 you may ask your self "is there anyone so alone?" R1 A
A but theres no beep before the dial tone R2 E
E When you pick it up to see who called R2 E
E if there is its probably your mom R1 A
A But oh the rising sun brings little cheer R1
Gb To this city with the stolen name R1
E And you're wondering whose bright idea R2
E
A It was to pack your things and leave your friends and move
down here R1

R1 Gb R1 E R2 E R1 A R1 Gb R1 E R2 A
