

# Death Cab For Cutie - This Temporary Life

Tom: A

acoustic chords (gtr 1)

A  
E  
D

gtr 2. (played behind chords on clean electric)

( A ) ( E )

A  
The morning suns about to break  
E  
im looking in as you create  
D  
someone

A  
you lift your head and brush your teeth  
E  
and make your bed as if you wont  
D  
sleep again

A  
you fix your hair and tie your shoes  
E  
and tuck your shirt and then you feel  
D  
new

A  
the glass is full, the glass is broke,  
E  
and every day dissolves and there's

D  
no hope

(distortion)

A of ever leaving this temporary life E

A of ever leaving this temporary life E

D A E D  
Li-fe li-fe li-fe li-fe

R1

R2

R1 A R1 A R2 E R2 E

R1 you may ask your self "is there anyone so alone?" R1 A

A but theres no beep before the dial tone R2 E

E When you pick it up to see who called R2 E

E if there is its probably your mom R1 A

A But oh the rising sun brings little cheer R1

Gb To this city with the stolen name R1

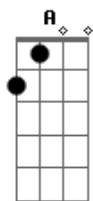

E And you're wondering whose bright idea R2

E It was to pack your things and leave your friends and move R1

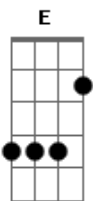

A down here

R1 Gb R1 E R2 E R1 A R1 Gb R1 E R2 A
