

Death Cab For Cutie - Wait (The Secret Stars)

Tom: C

every town has a diner
 where ill meet you and your friends too
 things are just a bit nicer over some coffee
 you can tell me all about your day
 i dont know much about you
 not that i want to
 not that i want to
 sometimes i cant escape from my room so excuse me
 ill be just a little late
 you will wait for me
 you will wait for me
 every town has a corner

where ill see you and your friends too
 hanging out looking cool
 saying the same things over and over again
 sometimes we all feel stupid
 we say the wrong things
 youre not the only one
 sometimes we all get left behind
 in a race of style
 its a dumb thing
 you will wait for me
 you will wait for me
 you will wait for me
 you will wait for me
 you will wait for me
