

# Death Cab For Cutie - Wait (The Secret Stars)

Tom: C

every town has a diner  
 where ill meet you and your friends too  
 things are just a bit nicer over some coffee  
 you can tell me all about your day  
 i dont know much about you  
 not that i want to  
 not that i want to  
 sometimes i cant escape from my room so excuse me  
 ill be just a little late  
 you will wait for me  
 you will wait for me  
 every town has a corner

where ill see you and your friends too  
 hanging out looking cool  
 saying the same things over and over again  
 sometimes we all feel stupid  
 we say the wrong things  
 youre not the only one  
 sometimes we all get left behind  
 in a race of style  
 its a dumb thing  
 you will wait for me  
 you will wait for me  
 you will wait for me  
 you will wait for me  
 you will wait for me
