

Death In Vegas - Scorpio Rising

```
Tom: C
When you kiss the base o'my spine
   Make my body into your shrine
You give me this feeling deep_inside
One that I can no longer disguise
While other snakes just shed their skins
Fucked holes pointing out my sins
Even though I realise that history's not on my side
Even though I realise the pioneer skin still curls up in my
[Refrão]
                           G DFCG
 If I don't go crazy, I'll lose my mind
                        G DFCG
I saw a life before me but now I'm blind
I wanna go to heaven, never been there before
I wanna go to heaven, so you kill me some more
(DFCGD)
Flying high upon the gallows
Too messed up to step out of the shadows
A drugged up heart that knows no sorrow
Rescued from this deep dark hole
Stick on these boots and sharpen the nails
Time is nigh for you leather girls
Maybe we should end this race
 Vanish while we cannot leave no trace
[Refrão]
                          G DFCG

I saw a life before me but now I'm blind
See one-arm film stars on alien beaches Potted gold and
tattooed faces
Harrison murals on the corner, tupperware boxes full of hops
Diazepam dreams there catching streams Paper dinosaurs flash
blue and green
Still I've got a flash-bulb head
                                D D D D
Still I've got a flash-bulb head

                       G
I saw a life before me but now I'm blind
I wanna go to heaven, never been there before
I wanna go to heaven, so you kill me some more
Come along nice, come along dead Scorpio rising, and paint it
A psychic equalizer in your head
Come along nice, come along dead Scorpio rising, and paint it
A psychic equalizer in your head
Come along nice, come along dead Scorpio rising, and paint it
A psychic equalizer in your head
Come along nice, come along dead Scorpio rising, and paint it
A psychic equalizer in your head
                                 G D
