

# Deb And The Mentals - Evil Sea

tom:  
 Capotraste na 3ª casa  
 Intro: Am Em D

I'm sorry, I've had a fall  
 I know you brought me here  
 Is karma inside of us?  
 But in fact, I can't feel it

Who's around for you?  
 Who is your sin?  
 Who's around for you?  
 Just a crime, you and me, for you  
 Just a crime, you and me

You'll never know, but I miss you there  
 You'll never know, but I'm trying to keep you anyway

You'll never know  
 ( Am )

I not telling you the truth  
 The truth is coming to hurt me  
 Your looking for the best cavil  
 Then I wonder I'll break your heart?  
 I not telling you the truth  
 The truth is coming to hurt me  
 The secrecy that I'm holding inside me  
 I can hear  
 ( Am C Em )

You'll never know, but I miss you there  
 You'll never know, but I'm trying to keep you anyway  
 You'll never know  
 [Final] Am
