

# Débora Schmitz - Tua Alegria

Tom: G

m

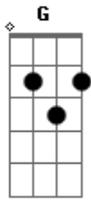

Tua palavra me levanta  
 Me fortalece e me transforma  
 O teu espírito me enche  
 Me contagia e me renova  
 A tua alegria está sobre mim  
 A tua alegria flui dentro de mim

Não posso conter  
 Ela transforma tudo ao meu redor  
 Quero transbordar  
 com tua vida em mim  
 Com tua vida em mim  
 Nada se compara a estar contigo  
 Nada se compara a estar contigo
