

Deborah Joy Winans - River

tom:

F

F

Been traveling these white roads for so long

Bb

My heart's been far from you

Ten thousand miles gone

F

Oh, I wanna come near

Bb

And give you every part of me

But there's blood on my hands

F

And my lips aren't clean

In the darkness I remember

Bb

Momma's words; reoccur to me

Surrender to the good Lord

And he'll wipe your slate clean

Gm

(And I'll say)

Bb

Take me to the river

F

Dm

I wanna go

Take me to the river

I wanna go

Dip me in your smooth waters

And I'll go in

As a woman with many crimes

Come up for air

F

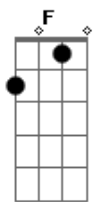

As my sin flow down the Jordan

Oh, I wanna come near

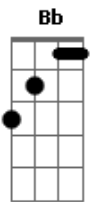

Bb

And give you every part of me
