

# Deborah Joy Winans - River

tom:

F  
 Been traveling these white roads for so long  
 Bb  
 My heart's been far from you  
 Ten thousand miles gone  
 F  
 Oh, I wanna come near  
 Bb  
 And give you every part of me  
 But there's blood on my hands  
 F  
 And my lips aren't clean  
 In the darkness I remember  
 Bb  
 Momma's words; reoccur to me  
 Surrender to the good Lord  
 And he'll wipe your slate clean  
 Gm  
 (And I'll say)  
 Bb  
 Take me to the river  
 F Dm  
 I wanna go  
 Gm Bb  
 Take me to the river  
 F  
 I wanna go  
 F  
 Dip me in your smooth waters  
 And I'll go in  
 Bb  
 As a woman with many crimes  
 Come up for air  
 F  
 As my sin flow down the Jordan  
 Oh, I wanna come near  
 Bb  
 And give you every part of me

But there's blood on my hands  
 And my lips aren't clean  
 Gm  
 (So please)  
 Bb  
 Take me to the river  
 F  
 I wanna go  
 Dm  
 (Yes I do, Take me to the river)

 Take me to your river

 I wanna know
