

Declan J. Donovan - Fallen So Young

tom:

Gm (forma dos acordes no tom de Em)

Capostrate na 3ª casa

Intro: Em C G G
Em C G G

[Primeira Parte]

And only a teen
When I thought that we could be
It's a sign for you and me
And your eyes are bright
Like the bluest sea
And I felt like you
Would complete me

And now I understand
That this is a start of something new
And now I understand
That it pull away with me and you
And now I understand
That I will always love you

[Refrão]

'Cause darling I wanna be with you
'Cause baby our love would always be true
And I'll be waiting for our hearts to be one

And it's rare, that I've fallen so young

[Segunda Parte]

And when I'm with you, yeah I feel so free
And through the dark times, yeah you were my company
It's never lonely days 'cause there's always been you
And from this day our love would always be true

And now I understand
That this is a start of something new
And now I understand
That it pull away with me and you
And now I understand
That I will always love you

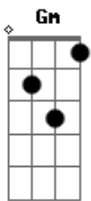

[Refrão]

'Cause darling I wanna be with you
'Cause baby our love would always be true
And I'll be waiting for our hearts to be one
And it's rare, that I've fallen so young

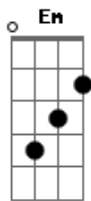

[Final]

'Cause darling I wanna be with you
'Cause baby our love would always be true
And I'll be waiting for our hearts to be one
And it's rare, that I've fallen so young
