Intro: C F G C

[Primeira Parte]

Em F7M  
Daniel, you did it, you made me cry  
Em F7M  
You spent ten days in bed when I asked you why  
Em F7M  
And requested my whereabouts through tweets

Em F7M  
Darling, why do you bury yourself in sheets? Well, I told you  
Em F7M  
There's unrest in the House of Lords

Em F7M  
Written on sandwich boards  
Em F7M  
Outside the shop where they sell your favourite drink  
Em F7M  
So what do you think you're doing telling people lies?

Em F7M  
The hope's going like Christmas pies  
Em F7M  
But it's never gonna stop you turning pink
