Intro: G  
[Primeira Parte]

G Em  
Heaven knows you get so miserable, you have to go  
G Em  
Summertime in Cannes and Christmas Day?in?Borneo  
Am  
So, you tell?your mother, your friends and your?family  
D  
"I'm gonna travel away to the Andes  
C D  
Like everybody wants to?see?them"

[Refrão]

C Em D  
You?don't have to?be sad about?it, Mother Nature  
C Em D  
Don't let the boys try to doubt it, spoil our fun  
C D  
'Cause your reaction's all that they want  
C D  
So just like you said to me once, have a day off

[Segunda Parte]

G Em  
Everybody gets so tired of hearing what you said  
G Em  
When you think your money's gonna stop you getting wet  
Am  
So Noah, you best start building  
D  
You better have ten thousand children  
C D  
Because everybody wants to be one

[Refrão]

C D  
You don't have to be running errands for anyone  
C D  
In pieces, they left no room for me, I'm no one  
C D  
I'm Sagittarius, I'm A star  
C D  
So wouldn't you take the day off, Mother Nature?

G Am Em C  
Wow

G Am Em C  
Wake me up when it's over  
G Am Em C  
Wake me up when it's over  
G Am Em C  
Wake me up when it's over  
G Am Em C  
Wake me up when it's over

[Ponte]

Am  
Because you feel it pouring and you must run  
D  
You must drop your bags and your trust fund  
C D  
Because the life you lead's so fucking alien

[Refrão]

C D  
Lord, tell me, where did you get that strange idea from?  
C Am G Gb  
In pieces, they left no room for me, I'm no one  
D C D  
I'm Sagittarius, I'm A star  
C D  
So wouldn't you take the day off, Mother Nature?  
G Bm C D  
Wow
