

Deep Chills - Run Free (feat. Ivie)

tom:

G

I still remember, loving the danger

You set me on fire

when I'm by your side

You taking me higher

I follow you down, If we go down

Now you say you wanna get away

You wanna take me all the way

Might get burned if you get closer

To the Sun, I want ya

We can burn together, fading into one another

Oh, uh, oh, oh, oh, oh, oh

Well don't you know

You're still heaven to me

Baby, we could run free

If you do it just the way I like

Maybe I could waste my time on you

Never mind all our worries

If you do it just the way I like

Maybe I could waste my time on you
