

# Deep East Music - Drifting From It All

tom:

Em

Em

C

You waste no time

G D

Can I waste yours?

Em C

Please share some light

G D

Or open the door

Em C G D  
He says: come back and make me yours

Em C  
I know just how we had

G D  
Both been here before

Em C  
Slowly the start of it all  
G D

And I'm already broke

Em C

Drifting apart from it all

G D

I need You to know

Em C  
Sometimes rain falls

G D

And sometimes it pours

Em C

But We know just how to be

G D  
Both been here before

Em C  
Slowly the start of it all

G D  
And I'm already broke

Em C  
Drifting apart from it all

G D  
I need You to know
