

Deep East Music - Drifting From It All

tom:

Em

Em

C

You waste no time

G D

Can I waste yours?

Em C

Please share some light

G D

Or open the door

Em C G D
He says: come back and make me yours

Em C
I know just how we had

G D
Both been here before

Em C
Slowly the start of it all

G D

And I'm already broke

Em C

Drifting apart from it all

G D

I need You to know

Em C
Sometimes rain falls

G D

And sometimes it pours

Em C

But We know just how to be

G D

Both been here before

Em C
Slowly the start of it all

G D
And I'm already broke

Em C

Drifting apart from it all

G D

I need You to know
