

# Deep Purple - All The Time In The World

Tom: C  
Intro: C Bm A Dm C Bm

**Bm**  
There's still a long way to go  
And the nights are closing in  
But if I travelled any faster babe  
Lord knows where I might have been

Right from those early days  
I put my faith in the axle not the wheels  
Like old Zeno's toytus

With Achilles snapping at my heels  
( Em C G )

Don't worry

There's no hurry  
Here we are  
With all the time in the world

**Bm**  
I could have been a high-flying dealer

But I have no desire for speed  
I could have been a wild receiver  
But I've got everything I need

And so I watch the world  
Go racing by tearing up the street  
I lay back in the long grass

Take it easy and rest my feet  
( Em C G )

Don't worry

You know, there's no hurry

Here we are  
With all the time in the world

**Bm**  
No-one ever held me back

You know that no-one ever put me in chains  
No-one ever saw me racing ahead

No-one had to tug on my reins

As everybody knows

I may be slow but I never quit  
Sometimes on a good day I sit and think

Sometimes I just sit

( Em C G )

Don't worry  
Relax, there's no hurry

Here we are  
With all the time in the world

( C G )

Don't worry  
You know, there's no hurry

Here we are  
With all the time in the world
