

Deepmoon - Dreams

Tom: A

m

Some nights i see you crossing my dreams
 C So real that i get to feel your skin
 There's no way
 Am Not today

Am Like a shadow you live in my mind
 C Follow all my steps silently by side
 I need to sleep
 Am G Soundly

So i imagine you flying, flying, flying
 White angel at night, night, night
 I touch your soft skin, skin, skin
 It cannot be a dream, dream, dream
 Am At night
 (Am)

Am At first i was a little afraid
 C i just thought i'd wake up late

The night is fake
 Dm Your dreams break

Am I started having fun with you
 C as in a spell we knew what to do
 I close my eyes
 Dm And fantasize
 Am G

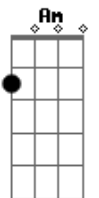

So i imagine you flying, flying, flying
 F White angel at night, night, night
 G I touch your soft skin, skin, skin
 F It cannot be a dream, dream, dream
 G At night

So i imagine you flying, (flying, flying)
 F White angel at night, (night, night)
 G I touch your soft skin, (skin, skin)
 F It cannot be a dream, (dream, dream)
 G So i imagine you flying, (flying, flying)
 F White angel at night, (night, night)
 G Its a dream
