

Deer Tick - Choir Of Angels

Tom: C

C Am
Sing Choir of angels
C F
Sing through the night
Ab C
I'll be still
G
I'll be quiet

They took my body
They robbed me blind
There's no turning back now
No use in crying

Chorus:

Ab C
Every lonely road is behind me
Ab C
That led me through the changes I don't feel

Ab C
And I lost sight of flesh and bone
Ab G
Little I know I was going home

Sing choir of angels
Sing me to sleep
Sing soft and sweet
I'm yours to keep

I fought their battles
And I gave my life
For peace and quiet
For pain and strife

Chorus:

Every lonely road is behind me
That led me through the changes I don't feel
And I lost sight of flesh and bone
Little I know I was going home
