

Deer Tick - Goodbye Dear Friend

Tom: F
Intro: F G

F
Some roads that you take
Some bonds will choose to break
I swore I'd no long be the pallbearer
F
But I carried you to bed
So you could rest your head
You were taking off a load, heavy drinking
F
The world it carries on
Your memories and song

And your pictures on my wall are not forgotten

F
There was hymns that came from mouths
That turned crosses upside down

But it came through their teeth with great ease

Bb
And all are bobbing heads in sync

Bb
And all have got a lot on their minds to think about

F
But you carry on in pictures in song

F
And the unmade be you slept in
Where I laid you down to rest one last time

Bb F Bb F
Goodbye, dear friend, goodbye, dear friend

F
Some stories break your heart
And some with such applaud

Buried deep inside, where it's ok to cry

F
Some boy's won't shed a tear
Oh, but a tale like this here

It can break down and get me where it hurts the most

Bb F
And all are bobbing heads in sync

Bb C
And all have got a lot on their minds to think about

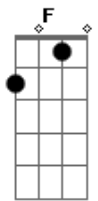

F Bb
But you carry on in pictures in song

F
