Intro: Am - C - E - E7-2 x2

[Verse]

Some roads that you take
 Some bonds we'll choose to break
 I swore I'd no long be the pallbearer
 But I carried you to bed
 So you could rest your head
 You were taking off a load, heavy drinking
 The world it carries on
 Your memories in songs
 And your pictures on my wall are not forgotten
 There was hymns that came from mouths
 That turned crosses upside down
 But it came through their teeth with great ease

[Chorus]

And all the bobbing heads in sync
 And all have got a lot on their minds to think about
 But you carry on in pictures and in songs
 And the unmade be you slept in
 Where I laid you down to rest one last time

Goodbye, dear friend, Goodbye, dear friend

[Instrumental]

F|-C x2

[Verse]

Some stories break your heart
 And some with such appalle
 Buried deep inside, where it's ok to cry
 Some boy's won't shed a tear
 Oh, but a tale like this here
 It can break me down and get me where it hurts the most

[Chorus]

And all the bobbing heads in sync
 And all have got a lot on their minds to think about
 But you carry on in pictures and in songs
 And the unmade be you slept in
 Where I laid you down to rest one last time
 Goodbye, dear friend, Goodbye, dear friend

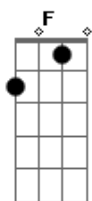

[Instrumental]

F|-C x2

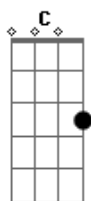

[Bridge]

You carry on in pictures and in songs
 And the unmade be you slept in
 Where I laid you down to rest one last time
 Goodbye, dear friend, Goodbye, dear friend
