

Def Leppard - Blood Runs Cold

Tom: E

Solo com strum:

Verso:

Heard this line one time about trying to save the world,
 But do you ever try to save yourself?
 A wild-eyed suicide drive, remains a fake
 As if you're never, never gonna make that same mistake. . .

Pre-Refrão:

A2 (=A)
 Strung out as the night comes crawling,
 A halo of thorns is falling. . .

Blood runs cold. . .

I feel it in my bones
 But you don't know - your time is up -
 And blood runs cold

Pré solo:

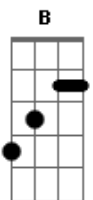

From you, love was kind
 Resolved, left starved and blind,
 Wasted and naked in the rain -
 Denying twist of fate
 Demanding Heaven's gate
 Lying in wait above the wind

Base Solo: (E Dbm A E)
