Lyrics:

You held my hand and then you slipped away,
 And I may never see your face again
 So tell me how I fill the emptiness inside
 Without love...What is life?

And anyone who knew us both could see,
 We always were the better part of me
 I never wanted to be this free,
 And all this pain, does it go away?

And every time I look around,
 And you're nowhere to be found I know?

Chorus
 I've got a long, long way to go
 Before I can say goodbye
 To you, oh!
 I've got a long, long way to go
 Before I can say goodbye
 To all I ever knew
 To you...To you

From memory there is no hiding place,
 Turn on the T.V. and I see you there,
 In every crowd there's always someone with your face
 Everywhere, tryin' not to care

And every time I look around,
 And you're nowhere to be found I know?

Chorus

I wish you everything
 An' all the best that life can bring,
 I only hope you think of me sometimes,
 oh! And,
 Even though I feel the pain
 I know that I will love again,
 The time will come, oh!
 And I'll move on

Repeat chorus (fade to end)
