(Riff 'A')
 Black stockings and a high heeled dress
 Good lookin' your face is a mess
 She's no angel

Oh, no
 (Riff 'A')
 Gun loaded, she's got plenty to spare
 She'll pull your trigger before you're there
 She's no angel
 Oh, no
 CHORUS (Riff 'B')
 She's too tough
 Can't help it
 She just can't help it

CHORUS
 (Riff 'A')
 Hands off, its a catch twenty-two
 You can't touch and she can't refuse
 She's no angel
 Oh, no
 (Riff 'A')
 Whiplash, give her six of the best
 Lay back, let her mind do the rest
 She's no angel
 Oh, no

CHORUS (Riff 'B' 4 times)
 SOLO (Riff 'C' 2 times)
 CHORUS (Riff 'B')
 (Riff 'D')
 She's too
 Tough
 CHORUS (Riff 'C' 4 times and fade)

I've cooked up my own little guitar fill for the second guitar in the chorus:

She's to tough can't help it, she just can't help it
