first riff

Somewhere in the distance, I here the bell ring,

Darkness settles on the town, as the children start to sing

And the lady across the street , she shuts out the night,
A cast on thousands waiting, as she turns out the light but
it's

Too late, too late, too late, too late for love,

Too late, too late, too late too late...

Em London boys are gazing, as **C** girls go **D** hand in **D** hand
D with a pocketful of innocence, the entrance is grand
Em the queen of the dream, stand before them all **D**

D she stretches out her hand as the curtain starts to fall, but
it's

Em too late, **C** too late, **D** too late, **D** too late, **C** too late for love
Em too late, **C** too late, **D** too late, **C** too late, **Em**

too late, too late, it's too late, too late!
