I'll never be the same breakin' decency
 Don't be tree trunk don't fall on my leg roots(?)
 I've been hunting too many words-got a weak self esteem
 That's pissed off the way from every single tree(?)
 But there's something else that brought us feece(?)
 Keep it all inside until we feel we can unleash
 I think that you made it up I think that your mind is gone
 I think that you should be glorified now you're god(?)!

Suck! Your fuckin money-Suck! Suck it bitch!

I'm here alone face flat along at the edge of the glass
 But I'm not here to preach I'm just sick of the racial(?)
 My parents knew me strong to let go of that glass
 So why should I try I clack like I'm low as hell(?)
 Before that shit that needs to stay back in the shelves
 Your punk-ass made it up and your fuckin' mind is gone
 You shouldn't never been glorified now you're god(?)!

Suck! Your fuckin money-Suck! Suck bitch!

You don't know me-Shut up you don't know me
 Squeal like a pig when you break fuckin break fuckin neck(?)
 Well I'll tell you bout my balls scratch what's coming back
 jack we'll
 turn back
 Girls(?) for any words whether not your fuckin I'm makin' no
 sense what
 coming is the jubilla(?) I'm really stoppin' naughty(?) an'
 most anybody
 so thinkin of me by now but yer the rabbit and I can't think
 for who I am
 n' shit I below where'll it be
 'Cause we cannot give back those lives

We exist two thing understand
 Lot hates black sheeps an' all the purge
 Mr P I G could I fuckin see
 Show ID don't crushed all my bothers yeah ya do
 And to the jury can't be no turners on my skin this color
 Does that mean I'm burned
 Cause your punk-ass made it up and your fuckin' mind was gone
 Shouldn't never glorified god(?)!

Suck! Your fuckin money-Suck! Fuck you bitch! Fuck.

 This is a bad-ass song! I transcribed the lyrics cause I liked
 the song
 so much. This song is easier to play in EADGbe but their is
 that one note
 in Riff 3 that required Dropped D. I dunno maybe they
 downtune during the
 "Shut up you don't know me ..." part. Ah well, have fun.
